## Leadership BONUS

### Personal, 20-Minute Private Sessions with Dr. Suzanne Lie & the Arcturians

May 8, 2017 – June 3, 2017

All leaders in training will receive a 20-minute one-on-one session with Dr. Sue and the Arcturians. They will be scheduled according to your availability.

We recommend that **newly awakened ones** spend time immersing themselves in the Arcturian teachings (and Suzanne Lie's book series, *Pleiadian Perspective on Ascension*) and revisit the leadership course opportunity at a later time.

These courses lead us into the next step of **purposeful action**. Additional benefits that the leaders in training receive include ongoing mentorship (from the Arcturians, Dr. Suzanne Lie, and Team Leaders), continuous support, sharing in a safe space, collaborative team-building, personal growth, expansion of creativity, and sense of unity in service to the planet. Lives are transformed in many ways, and long-lasting friendships are developed.

Course material for the Leadership Training is based on the NOW of the energy field that we have created with our multidimensional, group, planetary, and galactic consciousness.

### What Can I Expect?

The course consists of a combination of self-study and introspection, as well as live participation in unity consciousness webinars, meditations, discussions, and presentations with a group of fellow leaders in training. *A significant time commitment* is required throughout the entire course in order to gain the greatest benefit.

- You will be invited to attend **several live webinars** where relevant material is discussed in depth and taught by Dr. Suzanne Lie and the Arcturians. These events will serve to introduce and build unity among fellow students and serve as a real-time learning environment.
- **Weekly discussions** will follow the webinars, and additional meditations, discussions, activities, and assignments occur throughout each week following the webinar.
- Leaders in training will be constantly connected in a **private Facebook group**
- Leaders in training will be connected in **smaller leadership groups** to build closer relationships and allow for deeper introspection of the material.
- A final **course project** is usually conducted during the course, and a final project presentation is usually made by students during the final webinar.

### Multidimensional Philosophy

Our Multidimensional SELF exists within the NOW of the ONE. WE are an expression of our Multidimensional SELF. In this manner, we exist in the NOW of the ONE. We are the "Creators of Our Reality." Our every decision is a creation, and each of our creations builds the foundation for our next creation. Every time we make a decision/creation our energy field shifts to create a new foundation for our next decision/creation.

In this manner, we remember how to LIVE within the NOW.

What we BELIEVE we PERCEIVE. And, the reality we PERCEIVE is the reality we LIVE. By changing/expanding our beliefs, we can change/expand our perceptions.

In this manner, we create our reality.

## **We chose to serve Gaia by taking an earth vessel to create Unity Consciousness:**

- With our Multidimensional SELF (Multidimensional Consciousness)
- With all the members of our group (Group Consciousness)
- With Gaia's planet Earth (Planetary Consciousness)
- With Gaia's human, non-human and galactic members (Galactic Consciousness)

In this manner, we create the NOW of living as ONE with Gaia.

Mission Statement for Multidimensional Leadership Students:

**"I AM NOW becoming ONE with my Multidimensional SELF to better serve the process of Personal and Planetary Ascension."**

### **What do previous leadership students share about the course?**

*"Such an amazingly profound experience. I have experienced one of the biggest shifts in my spiritual life! I am not exaggerating. The journey was not always easy as my ego and my 3D paradigms fought to make this shift. This was an amazing course. I am still integrating the material, and it is expanding on itself and making me Bigger and Bigger!!"*

*"If you are ready to release all hesitation, affirm your readiness, and embark upon the totality of your soul mission, Sue and the Arcturians are here to facilitate this powerful transformation into your full Higher expression. Get ready to step up, evolve, grow, and expand into the leader you are meant to be!"*
